SERVICE INFORMATION SHEET NO. 32 - LIST OF M.G. MODELS

A repeated call for information regarding a complete list of M.G. models, past and present, has resulted in the issue of the tabulated list given below.

As the various types were not produced as yearly models, the dates quoted constitute the period during which they were produced.

With three exceptions the Chassis Numbers are prefixed by a type letter. The exceptions are:
 14/40 models, which had Chassis Numbers containing six figures;
 Mark I models, which had Chassis Numbers of 6000 onwards;
 Mark IV models, which had Chassis Numbers of 2000 onwards.
