THE M.G. CAR CLUB AND MMM REGISTER INFORMATION

Several have asked me about how to join the M.G. Car Club and the MMM Register. In order to join the MMM Register, you must first join the M.G. Car Club. At the time that you join the M.G. Car club you indicate the register(s) which you wish to be registered with. These are, Midget, Y type, MGB, V8, MGC, Z Magnette, MGA Twin Cam Group, MGA, SVW, T Types, Triple M, or Vintage. The Triple M (MMM Register) is the group which contains the J2's.

The M.G. Car Club address is:

The M.G. Car Club Ltd.
67 Wide Bargate
Boston
Lincs
PE21 6SG
England

Mr. Peter Tipton
General Secretary

The MMM Register address is:

Mr. Andrew Smith
5 Peters Close
Prestwood
Gt. Missenden
Bucks
HP16 9ET
England

When joining the M.G. Car Club there are some choices that you may make.

1. To join a center or to join as an detached member.
Centers in the U.S.A. (31)
Centers in Canada (4)
2. To subscribe to the Safety Fast Magazine or not to subscribe.
Note, most registers have Register news in the Safety Fast.

Once you are a member, you must ask and pay for everything that you get from either the M.G. Car Club, or the MMM Register. If you do not ask the correct individual, you will not get anything!

1. By writing to the General Secretary, M.G. Car Club, he will tell you if the club has early records on your car and the cost for reproduction and mailing them to you-- (surface not air mail).
