MORE SPARE SOURCES

There were three interesting ads in the latest Safety Fast. I thought I had listed Vintage Tyre Supplies before, but could not locate the technical article listing it.

Note the top left Triple Stud (S5 Pattern-- Looks familiare to the old Dunlop "Standard". I have written to find out if they carry it in a 4.00 x 19?

answer -

No, S5 is only available in 32x4½

They have 3.50/4.00 x 19" in Dunlop in B5 -- See earlier technical article on tires.
