

TRIPLE-M REGISTER

15 – 16 June 2019

Bulletin # 1

6th February, 2019

This is the first of a number of Bulletins which the Triple-M Register committee will be issuing to update the owners of Triple-M cars about our plans for the 90th anniversary celebrations **and in particular the MG Live! event at Silverstone.**

Background

1929 saw the commencement of commercial production of Triple-M cars, so in 2019 we celebrate its 90th anniversary.

MG Live!

In association with the MG Car Club the Register will have a major presence at this year's MG Live! at Silverstone on **Saturday and Sunday 15th and 16th June.**

Here are some highlights of what you can expect at MG Live!

- A large dedicated parking area in which 90 or more Triple-M cars will be displayed on Saturday. We will be seeking examples of as many as possible of the 46 different models produced by the M.G. Factory.
- A much larger than usual Register marquee at a prime location close to the Register parking area.
- Free hot and cold drinks and snacks over the weekend.
- Triple-M traders will be present.
- It is hoped that there will be parade laps for the display cars.
- It is hoped that there will be at least two teams competing in the California Cup on Saturday – Free entry.
- There will be an Auto Solo (no reversing driving tests) for Triple-M cars on the Sunday – Free entry.
- There will be a Concours and Pride of Ownership with Triple-M classes on the Sunday– Free entry.
- We are exploring the possibility of having a 'Bring and Buy' stall where members can bring parts to sell.

Entry price concessions

- The Triple-M Register will be offering entry tickets for MG Live! at heavily discounted prices to all occupants of display cars. There will be some other 'perks' for the owners of display cars.

Please would you fill in and return the questionnaire overleaf so that the committee can get your views as to what you would like to take part in at MG Live!
