

J2 TECHNICAL ARTICAL

Number 154

March 12, 1983

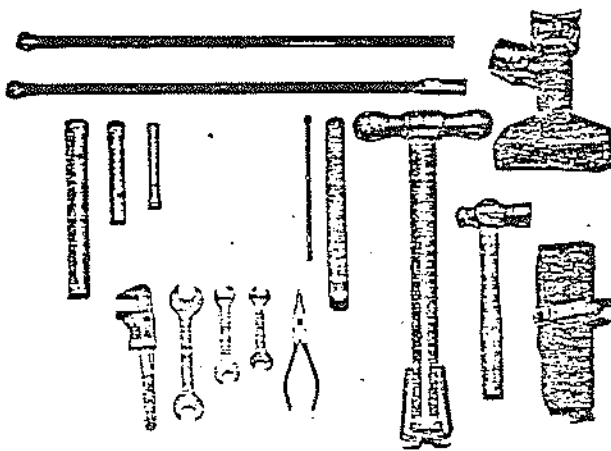

From Octagon Heaven

MORE ON THE TOOLS

According to my English friends the J2 tools were very similar to those used later in the 'T' Type cars.

I sent a recent advertisement from the T.S.O. to my friends and they reported back to me that the tools that remain on the list below are like the originals in the J2 cars.

REPRODUCTION MG "T" TYPE TOOLS
