

## Brake Cable Dust Excluder for MMM-Cars

# VW No. 311 713 269 B

That gaiter was used in the *Golf Automatic*, about 1976-90.  
So perhaps it is now not everywhere easy available !

diameter 18mm

thin end cut

as you buy it

finished dust excluder (thin end sticks in cut end)

square this end

use silicon lubricant

guide made from a copper tube

cable end fork
