MG Car Club Deutschland e.V. invites you to:

Triple-M meets Sauerland

On Tour with Pre-War Classics from May 14 to May 17, 2027

Dear friends of MG Triple-M cars, we are pleased to announce that there will be a new edition of the Triple-M meet, "Triple-M meets Sauerland," in 2027. Since we had so much fun in 2024 and our cars also felt right at home in the low mountain range, we'd like to take you back to the beautiful Sauerland region of North Rhine-Westphalia over Pentecost, from May 14 to May 17, 2027. The venue is the four-star Romantikhotel Platte, Repetalstraße 219, D-57439 Attendorn-Niederhelden.

Look forward to three wonderful days with your Triple-M MG on scenic country roads through the exciting German low mountain range landscape, enjoying stunning views, visiting a unique car collection, engaging in in-depth car discussions, and staying at a very well-maintained hotel with excellent cuisine.

So get moving and spend the 2027 Pentecost weekend with us at the Triple-M Meeting in the Sauerland
