10	1714*	Knock-off hub nut. Original 'Rudge-Whitworth' engraving. Triple plated in the traditional way on bronze castings to ensure long lasting finish.	D/F/J/ L/P/N	4
11	T1715	Knock-off hub nut. Original 'MG crested' engraving. Triple plated in the traditional way on bronze castings to ensure long lasting finish.	TA,B,C	4
12	T1716	Hub cap, chrome plated, with cast MG central motif. (Where disc wheels are fitted.).	TD/TF	5

N.B. The general specification for MMM models incorporated the road wheels being painted to match the interior trim but there were exceptions to this — particularly the aluminium finish. To facilitate originality MMM wheels are offered in both primer and stove enamelled silver finish.

All TA/B/C Wheels are supplied silver unless requested otherwise.

NB. As it is not possible to illustrate every variant of all items please refer to general description and STATE MODEL TYPE REQUIRED.

\* Currently available only in secondhand condition.

Pic.	Part	Description and Remarks	Model	Qty.
